

ROTARY GRACE

We break Thy bread of Brotherhood
 And thank Thee Lord for all things good
 May we, more blessed than we deserve
 Live less for self and more to serve

THE FOUR WAY TEST

Of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build Goodwill and Better Friendships?

Will it be Beneficial to all concerned?

Where to do MAKE-UPS

Presidents Report

This week we are welcoming Barbara Burzak into the club. Come on you guys, get your ASK into gear the girls are taking over!!

Rotary Awareness Week was a bit of a washout on Sunday which was disappointing in particular for Ron as he had organised everything. However, we still have the information signs to use

and isn't every week Rotary Awareness Week anyway??

We were fortunate this week to receive \$17,000 in this round of the Community Gambling Fund. This is to purchase a large marquee, a PA system and a dancing airman (ask Bob!).

Regards - Caroline Hook (Pres.)

Social Event - What Happened?

Last Saturday, Rotary members attended our first OFFICIAL social function. Our host was the Townsville Darts Association (TDA) who, most graciously, hosted us for a game of darts and a few drinks.

Our darts were not quite first grade, but the members of the TDA who supplied us with plenty of drink and a wonderful

dinner were top class. Thank you very much indeed.

There were many anecdotes worthy of mention, but I'll leave that up to our good SERGEANT. The main thing was that everyone had a great time, even though my team lost at cricket. Cricket? I thought you were playing darts I here someone ask? Hmmm.

Anyway, a fabulous time was had by all and the player of the tournament, in a close call, had to be Ron "Spear Chucker" Ostrenski.

Cheers - Duncan

Rotary Awareness Week

On Sunday 22nd at the markets we gave out approximately 180 Rotary balloons before running out of gas. The gas was supposed to last UP to 300 balloons, but I was putting a bit extra in the balloons to compensate for the rain. Rotaract did a great job cheering up the stall holders with a balloon each but didn't don the clown costumes because makeup and water make a mess.

David Brock gave balloons to the kids in Willows and there were smiles all-round. How many ended up on the ceiling we didn't count.

So even with the rain, it was a success and brightened up the day.

Thank you to all that helped.

Regards - Ron O. - PR
